Star Wars: Crystal Star (Paperback)

By Vonda N. McIntyre

Bantam Doubleday Dell Publishing Group Inc, United States, 1996. Paperback. Condition: New. Reprint. Language: English. Brand new Book. First Timothy Zahn reopened the door to George Lucas's dazzling universe with his "New York Times" -bestselling "Star Wars" trilogy. Then Kathy Tyers's "The Truce at Bakura" took readers back to the fateful days following the events in "Return of the Jedi." And with "The Courtship of Princess Leia" Dave Wolverton chronicled Han Solo's turbulent campaign for the princess's hand. Now, award-winning author Vonda N. McIntyre continues the tradition as the ultimate space adventure unfolds in "The Crystal Star." Princess Leia is dealt a crushing blow when her three children--Anakin and the twins Jaina and Jacen--are kidnapped. Leia's advisers counsel her to wait for a ransom note, but waiting is the hardest thing for a mother to do when her children are in danger--and worse than waiting is her discovery that she cannot sense her children through the Force. Ultimately, the princess has no choice. She, Chewbacca, and Artoo-Detoo track the kidnapers, following their trail to a disabled refugee ship where the answers provided by Rillao, a mysterious fugitive, only provoke more questions. The refugees' children are also missing--and Rillao thinks she knows who has them: a powerful Imperial officer named Hethrir who has his own twisted plan to...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Brennan Koelpin

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
