MODEL COACH: A COMMON SENSE GUIDE FOR COACHES OF YOUTH SPORTS (HARDBACK)**DOWNLOAD**

iUniverse, United States, 2008. Hardback. Condition: New. Language: English. Brand new Book. Winning isn't everything. It's becoming more and more evident: Parents and coaches are losing sight of the purpose and value of youth sports programs. Youth sports should be as much about developing social skills, understanding what it takes to become a leader, and learning how to become a young upstanding member of society as it is about kicking, hitting, spiking, or shooting a ball. "MODEL Coach" is focused on reinstituting the value youth sports has on our children by refining and developing the coach's role. As the first installment in the MODEL Book Series, "MODEL Coach" helps coaches become well-rounded; and more effective at developing players, creating better leaders, and impacting their community in a positive manner. Success is a result of doing the right things. "MODEL Coach" is about doing the right things.
